Dear Mr. Delgado:

San Antonio Community Radio, KROV 91.7 HD2 FM would like to acknowledge Ceiling Pro of San Antonio, L.L.C.'s tremendous contributions to making the Heart & Soul Music Awards a tremendous success. Your company's generosity of spirit showed in more ways than we ever expected and we wanted to write to say a heartfelt thank you.

Mike, you generously donated your time to help us with our sponsorship mail out, your company purchased tickets to the Heart & Soul Music Awards, purchased an ad in our souvenir booklet, and helped spread the word about our work to bring R&B radio, a vehicle for local artists to be heard, an opportunity for non-profit organizations and our governmental entities the ability to come on San Antonio Community Radio and let the people of South Texas know how they can improve their quality of life. This is something exciting for our city, something cutting edge for our city and we are grateful for your vision in wanting to be a part of our 501(c)(3) organization.

Without you, we would not have been able to raise \$43,000 and because of you we were able to purchase our studio equipment and pay our mother station, Trinity University, KRTU's lease of our broadcast frequency. If there is ever anything that we can do to help you, please do not hesitate to contact me.

Sincerely,
