Dear Mr. Delgado:

It is with great pleasure that I contact you with the news that your employee, Miguel Delgado, Sr., has just been accepted and matched as a Big Brother mentor in the Big Brothers Big Sisters Program.

Big Brothers Big Sisters of South Texas is a 30-year-old organization dedicated to providing role models for at-risk children who face a variety of social and economic challenges. Significant research has proven that a child who is mentored in the BBBS program is less likely to engage in risk behaviors and more likely to grow up to become a contributing, productive member of society. We seek strong individuals of good character to spend time with these children. Miguel Delgado, Sr. is to be commended for making this commitment to mentor a child. He is making a difference in our community.

We appreciate the support and encouragement that you give your employees to serve the community. It is a direct reflection of the community involvement your organization displays. If you would like more information on our program, please feel free to contact me at 210-225-6322 or visit our website at www.bigmentor.org.

Sincerely,

Jenna Harkins
Vice President of Programs
