To Whom It May Concern:

I would like to write this letter of recommendation for Ceiling Pro of San Antonio. I contacted Ceiling Pro to clean, disinfect and deodorize vinyl ceiling tiles in the main kitchen area of my restaurant. I found them to be very professional, dependable and efficient with excellent attention to detail.

Mr. Arthur Queen, Account Sales Manager provided me with thorough information on the services to be conducted and was very helpful. I would not hesitate to use Ceiling Pro again and will highly recommend them to others. I look forward to a long and meaningful business relationship.

Sincerely,
