To Whom It May Concern:

I want to thank Ceiling Pro of San Antonio for coming through when we needed them to come at such short notice. I was really impressed with the results of your ceiling cleaning services, and your professionalism. My kitchen ceilings look great and I got just what I wanted and more. I have used one of your competitors in the past and have not had nearly the satisfaction level I do with Ceiling Pro. I would highly recommend Ceiling Pro's services to other companies and look forward to continued business with Ceiling Pro.

Thank you,

Greg Collins
